Hi Amanda,

Will left me a voice mail. It seems that they may have found a path forward.

Thanks,

Hi Ramon,

Thanks for the response. It seems like ZiZi is working with Rob Wise on this and they have it under control. Feel free to follow up with ZiZi for additional information.

Best,

Amanda

Hi Amanda,

Is your request in support of the Gold King Mine Release? If that's the case, please direct the same to Barbara Lee our Finance Chief for the R9 incident response.

Thanks,

Hi all,

After checking in with Tana she has informed me that working with the START contract to procure interpretation services is out of her lane. It looks like Ramon is out of the office, and I am not a COR on the START contract, so I'm wondering if we have anyone else that can push this process along. It looks like we have 2 interpreters that are available and interested, and 2 that we are waiting to hear back from.

Best,

Amanda Pease
